PROFIT WARNING

This announcement is made by Expert Systems Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on Growth Enterprise Market of the Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Future Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of the directors (the “**Director(s)**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the information currently available to the Board, the Group is estimated to record a substantial decrease in net profit for the three months ended 30 June 2016 (“**Q1FY2017**”), as compared to that of the corresponding period of 2015.

As disclosed in the prospectus of the Company dated 30 March 2016 and the annual report of the Company for the financial year ended 31 March 2016, the Group’s business is challenged by the weak market conditions and weak economic outlook, which in turn may have negative impact on the Group’s business volume and exerted pressure on its pricing terms and hence on its profit margin and profitability. The estimated decrease in net profit for Q1FY2017 is mainly due to the decrease in gross profit margin during the period as a result of the Group’s efforts in maintaining its market share by offering more competitive pricing under the challenging business environment.

The Company is still in the progress of finalizing its unaudited consolidated results for Q1FY2017. The information contained in this announcement is only based on the preliminary assessment by the Board with reference to the information currently available as aforementioned, which has not been reviewed by the audit committee of the Company. Shareholders and potential investors are advised to read carefully the quarterly results announcement of the Company for Q1FY2017, which will be published in early to mid-August 2016 in accordance with the requirements of the GEM Listing Rules.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
