CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Ordinary resolutions will be proposed at the 2021 AGM to approve the granting of the new general mandates to the Directors:

- (b) to repurchase Shares, on the Stock Exchange or on any other stock exchange recognized by the Securities and Futures Commission of Hong Kong and the Stock Exchange, of an aggregate nominal amount not exceeding 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing such resolution (i.e. an aggregate nominal amount of Shares not exceeding HK\$800,400 (equivalent to 80,040,000 Shares) on the basis that the existing issued share capital of the Company of 800,400,000 Shares remains unchanged as at the date of the 2021 AGM) (the “**Repurchase Mandate**”); and
- (c) Subject to the passing of the aforesaid ordinary resolutions granting the Issuance Mandate and the Repurchase Mandate, to extend the Issuance Mandate by an amount representing the aggregate nominal amount of the Shares repurchased by the Company pursuant to and in accordance with the Repurchase Mandate.

The Repurchase Mandate and the Issuance Mandate would expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company; or (b) the expiration of the period which the next annual general meeting of the Company is required by the Articles or the applicable laws of Cayman Islands to be held; or (c) revocation or variation by an ordinary resolution of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

LETTER FROM THE BOARD

3. PROPOSED RE-ELECTION OF DIRECTORS

Pursuant to Article 83(3) of the Articles, any Director appointed by the Board to fill a casual vacancy shall hold office until the first general meeting of the Company after his appointment and be subject to re-election at such meeting and any Director appointed by the Board as an addition to the existing Board shall hold office only until the next following general meeting of the Company and shall then be eligible for re-election. Pursuant to Article 84(1) of the Articles, one-third of the Directors for the time being (or, if their number is not a multiple of three (3), the number nearest to but not less than one-third) shall retire from office by rotation at each annual general meeting, provided that every Director shall be subject to retirement at an annual general meeting at least once every three years.

As such, each of Mr. Lau Wai Kwok, Mr. Wong Chu Kee Daniel, Mr. Ko Man Fu and Mr. Mak Wai Sing will retire from office as Director at the 2021 AGM and, being eligible, offer himself for re-election.

The Nomination Committee has recommended to the Board on re-election of all the retiring Directors who are due to retire at the 2021 AGM.

LETTER FROM THE BOARD

8. ADDITIONAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular: Appendix I — Explanatory Statement on the Repurchase Mandate; and Appendix II — Details of Directors Proposed to be Re-elected at the 2021 AGM.

Yours faithfully,
By Order of the Board
Expert Systems Holdings Limited
Wong Chu Kee Daniel
Chairman and non-executive Director

The following is an explanatory statement required by the GEM Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the 2021 AGM in relation to the granting of the Repurchase Mandate.

1. REASON FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to have a general authority from the Shareholders to enable the Directors to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

The Directors are seeking the granting of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 800,400,000 Shares.

Subject to the passing of the ordinary resolution set out in item 6 of the notice of the 2021 AGM in respect of the granting of the Repurchase Mandate and on the basis that the issued ordinary share capital of the Company remains unchanged as at the date of the 2021 AGM, i.e. being 800,400,000 Shares, the Directors would be authorised to exercise the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, a maximum of 80,040,000 Shares, being 10% of the issued share capital of the Company as at the date of the 2021 AGM. The Repurchase Mandate would expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company; or (b) the expiration of the period which the next annual general meeting of the Company is required by the Articles or the applicable laws of the Cayman Islands to be held; or (c) revocation or variation by an ordinary resolution of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

3. FUNDING AND IMPACT OF REPURCHASES

Any repurchase will be funded from the Company's internal resources, which shall be funds legally available for such purpose in accordance with the memorandum of association and the Articles of the Company, the GEM Listing Rules, the applicable laws of the Cayman Islands and/or any other applicable laws, as the case may be.

Under the laws of the Cayman Islands, any repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of shares made for the purpose or, if authorised by the Articles and subject to the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the shares to be repurchased must be provided for out of profits or the share premium account of the Company or, if authorised by the Articles and subject to the Companies Law, out of capital. In accordance with the laws of the Cayman Islands, the shares so repurchased would be treated as cancelled.

As compared with the financial position of the Company as at 31 March 2021 (being the date to which the latest audited consolidated accounts of the Company have been made up), the Directors consider that there might be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchases were to be carried out in full during the proposed repurchase period.

The Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital or gearing position of the Company.

4. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code.

Accordingly, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, the Controlling Shareholders, namely, Mr. Chu Siu Sum Alex, Mr. Lau Wai Kwok, Mr. Mok Chu Leung Terry, Mr. Cheung Nap Kai and Mr. Wong Chu Kee Daniel, deemed as parties acting in concert, together control 561,750,000 Shares, or approximately 70.2% interest in the issued share capital of the Company. As a result, each of the Controlling Shareholders is deemed to be interested in such 561,750,000 Shares, representing approximately 70.2% of the issued share capital of the Company, as at the Latest Practicable Date.

In the event that the Repurchase Mandate were exercised in full, the interest of the Controlling Shareholders would be increased from approximately 70.2% to approximately 78.0%. On the basis of the aforesaid increase of shareholding held by the Controlling Shareholders, in proportion, the Directors are not aware of any consequences of such repurchases of the Shares that would result in a Shareholder, or a group of Shareholders acting in concert, becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code if the Repurchase Mandate were exercised in full. Moreover, the Directors do not intend to

exercise the power to repurchase Shares to an extent which would render any Shareholder or a group of Shareholders obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that results in a public shareholding of less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the Shares in public hands.

5. GEM LISTING RULES RELATING TO REPURCHASE OF SHARES

The GEM Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange and any other stock exchange on which the securities of the Company are listed and such exchange is recognized by the Securities and Futures Commission of Hong Kong and the Stock Exchange subject to certain restrictions.

The GEM Listing Rules provide that all proposed repurchases of shares must be approved by shareholders in advance by an ordinary resolution at a general meeting, either by way of a general repurchase mandate or by a specific approval of a particular transaction, and that the shares to be repurchased must be fully paid up.

6. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the applicable laws of the Cayman Islands and in accordance with the memorandum of association and the Articles of the Company.

7. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors or, to the best knowledge and belief of the Directors having made all reasonable enquiries, any of their respective close associates (as defined in the GEM Listing Rules) have any present intention, in the event that the proposed Repurchase Mandate is granted, to sell the Shares to the Company. No core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that they have a present intention to sell the Shares to the Company, or that they have undertaken not to sell any of the Shares held by them to the Company, in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of the Shares pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

8. SHARE REPURCHASE MADE BY THE COMPANY

The Company had not purchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

9. SHARE PRICES

The highest and lowest prices of the Shares during the previous 12 months up to and including the Latest Practicable Date were as follows:
