CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

To the Shareholders,

Dear Sir or Madam,

**PROPOSED GRANTING OF GENERAL MANDATES
TO ISSUE NEW SHARES AND TO REPURCHASE SHARES
AND
PROPOSED RE-ELECTION OF DIRECTORS
AND
NOTICE OF THE 2025 AGM**

1. INTRODUCTION

The purpose of this circular is to provide the Shareholders with information in respect of certain resolutions to be proposed at the 2025 AGM for (i) the granting of the Issuance Mandate to the Directors; (ii) the granting of the Repurchase Mandate to the Directors; (iii) the extension of the Issuance Mandate by adding to it (including any sale or transfer of treasury shares (if any) out of treasury) the number of the Shares repurchased by the Company under the Repurchase Mandate; and (iv) the re-election of Directors.

LETTER FROM THE BOARD

2. PROPOSED GRANTING OF THE ISSUANCE MANDATE AND THE REPURCHASE MANDATE

Ordinary resolutions will be proposed at the 2025 AGM to approve the granting of the new general mandates to the Directors:

- (a) to allot, issue or deal with new Shares (including any sale or transfer of treasury shares (if any) out of treasury) of not exceeding 20% of the aggregate number of Shares in issue (excluding treasury shares, if any) as at the date of passing such resolution (i.e. an aggregate number of Shares not exceeding 160,656,000 Shares) on the basis that the existing issued share capital of the Company of 803,280,000 Shares remains unchanged as at the date of the 2025 AGM) (the “**Issuance Mandate**”);
- (b) to repurchase Shares, on the Stock Exchange or on any other stock exchange recognized by the Securities and Futures Commission of Hong Kong and the Stock Exchange, of not exceeding 10% of the aggregate number of Shares in issue (excluding treasury shares, if any) as at the date of passing such resolution (i.e. an aggregate number of Shares not exceeding 80,328,000 Shares) on the basis that the existing issued share capital of the Company of 803,280,000 Shares remains unchanged as at the date of the 2025 AGM) (the “**Repurchase Mandate**”); and
- (c) subject to the passing of the aforesaid ordinary resolutions granting the Issuance Mandate and the Repurchase Mandate, to extend the Issuance Mandate (including any sale or transfer of treasury shares (if any) out of treasury) by the number of the Shares repurchased by the Company pursuant to and in accordance with the Repurchase Mandate.

The Repurchase Mandate and the Issuance Mandate would expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company; or (b) the expiration of the period which the next annual general meeting of the Company is required by the Articles or the applicable laws of the Cayman Islands to be held; or (c) revocation or variation by an ordinary resolution of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

In accordance with the requirements of the GEM Listing Rules, the Company is required to send to the Shareholders an explanatory statement containing all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the granting of the Repurchase Mandate. An explanatory statement containing information relating to the Repurchase Mandate as required pursuant to the GEM Listing Rules, in particular Rule 13.08 of the GEM Listing Rules, is set out in Appendix I to this circular. This explanatory statement provides you with information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolution relating to the Repurchase Mandate. The Directors currently have no immediate plan to exercise the Issuance Mandate or the Repurchase Mandate (if granted to the Directors at the 2025 AGM).

LETTER FROM THE BOARD

3. PROPOSED RE-ELECTION OF DIRECTORS

Pursuant to Article 83(3) of the Articles, any Director appointed by the Board to fill a casual vacancy or as an addition to the existing Board shall hold office until the first annual general meeting of the Company after his appointment and be subject to re-election at such meeting. Pursuant to Article 84(1) of the Articles, one-third of the Directors for the time being (or, if their number is not a multiple of three (3), the number nearest to but not less than one-third) shall retire from office by rotation at each annual general meeting, provided that every Director shall be subject to retirement at an annual general meeting at least once every three years.

As such, Mr. Chan Kin Mei Stanley, Mr. Chu Siu Sum Alex and Mr. Au Yu Chiu Steven (“**Mr. Au**”) will retire from office as Director at the 2025 AGM and all being eligible, will offer themselves for re-election.

The Nomination Committee of the Company has reviewed the structure and composition of the Board, the confirmations and disclosures given by the Directors, the qualifications, skills and experience, time commitment and contribution of the retiring Directors with reference to the nomination principles and criteria set out in the Company’s Board Diversity Policy, the Director Nomination Policy and the Company’s corporate strategy, and, where applicable, the independence of all independent non-executive Directors. The Company considers that the retiring Directors will continue to bring valuable business experience, knowledge and professionalism to the Board for its efficient and effective functioning and diversity. The Nomination Committee has recommended to the Board on re-election of all the retiring Directors.

Mr. Au who has been serving as independent non-executive Director for more than nine years has confirmed his independence with reference to the factors set out in Rule 5.09 of the GEM Listing Rules.

In assessing the independence of Mr. Au, the Nomination Committee has reviewed the written confirmation of independence given by him and noted that Mr. Au (i) does not have any relationship with any Directors, senior management or substantial shareholders or controlling shareholders of the Company; (ii) is not involved in any relationships or circumstances which would interfere with the exercise of his independent judgement as an independent non-executive Director; and (iii) has obtained in-depth understanding of the Group’s operation and business and has been providing objective and independent views to the Company during his tenure of office.

As disclosed in the Corporate Governance Report of the Company, Mr. Au has attended all the meetings of the Board and Board committees, and general meeting of the Company held in the previous financial year. Mr. Au has always remained responsible in performance of his functions and discharge of his duties to the Company through active participation and discussions, bringing balance of views as well as knowledge, experience and expertise to the Board. Mr. Au has confirmed that he will continue to devote sufficient time and attention to the affairs of the Company.

LETTER FROM THE BOARD

Based on the foregoing, the Nomination Committee considers that the long service of Mr. Au will not affect his exercise of independent judgement. The Nomination Committee also believes that the knowledge and experience of Mr. Au in the field of finance and corporate management will continue to bring objective and independent judgement to the Board and benefit the Company and the Shareholders as a whole. The Nomination Committee is also satisfied that Mr. Au has the required character and integrity to continue fulfilling the role of an independent non-executive Director.

Taking into consideration the active contributions of Mr. Au to the affairs of the Company and his commitment to the role of an independent non-executive Director, the Board, on the recommendation of the Nomination Committee, recommends the re-election of Mr. Au at the Annual General Meeting.

Each of the retiring Directors has abstained from voting on his own nomination when it was considered by the Nomination Committee and the Board.

The requisite details of the above Directors proposed to be re-elected at the 2025 AGM are set out in Appendix II to this circular.

4. DECLARATION OF FINAL DIVIDEND

The Board has recommended the declaration of a final dividend of HK0.75 cent per Share for the year ended 31 March 2025 to be paid to the Shareholders whose names appear on the register of members of the Company on Friday, 26 September 2025. An ordinary resolution will be proposed at the 2025 AGM to declare the final dividend.

Subject to the fulfilment of the conditions set out in the paragraph headed “Conditions of the payment of the final dividend out of the share premium account” below, the final dividend is proposed to be paid out of the share premium account of the Company.

Under section 34(2) of the Companies Act, the share premium account may be applied by a company in paying dividends to members provided that no dividend may be paid to members out of the share premium account unless, immediately following the date on which the dividend is proposed to be paid, the company shall be able to pay its debts as they fall due in the ordinary course of business.

As at 31 March 2025, based on the audited consolidated financial statements of the Group, the Company had an aggregate of HK\$35,776,000 standing to the credit of its share premium account. Subject to compliance with certain requirements under the laws of the Cayman Islands, the share premium may be applied for payment of dividend by the Company. Following the payment of the proposed final dividend and assuming that there is no change in the number of issued Shares prior to 26 September 2025 (the date for determining the entitlement to the proposed final dividend), there will be a remaining balance of approximately HK\$29,751,000 standing to the credit of the share premium account of the Company.

LETTER FROM THE BOARD

(a) Conditions of the payment of the final dividend out of the share premium account

The payment of the final dividend out of the share premium account is conditional upon, inter alia, the following being fulfilled:

- (i) the passing of an ordinary resolution by the Shareholders to approve the payment of the final dividend out of the share premium account; and
- (ii) the Directors being satisfied that there are no reasonable grounds for believing that the Company is, and immediately after the final dividend is paid, will be unable to pay its liabilities as they become due in the ordinary course of business.

Subject to the fulfilment of the above conditions, it is expected that the final dividend to be payable on or about Thursday, 9 October 2025.

The conditions set out above cannot be waived. The final dividend will be paid only when all the conditions are satisfied.

(b) Reasons for and effect of the payment of the final dividend out of the share premium account

After taking into account a number of factors including the cash flow and financial condition of the Company, the Board considers it appropriate and proposes that the final dividend be paid out of the share premium account of the Company in accordance with Article 134 of the Articles and the Companies Act. The Board considers such arrangement to be in the interests of the Company and the Shareholders as a whole.

The Board believes that the payment of the final dividend will not have any material adverse effect on the underlying assets, business, operations or financial position of the Group and does not involve any reduction in the authorised or issued share capital of the Company or reduction in the nominal value of the Shares or result in any change in the trading arrangements in respect of the Shares.

An announcement on the poll vote results will be published by the Company after the 2025 AGM in the manner prescribed under Rule 17.47(5) of the GEM Listing Rules.

6. RECOMMENDATION

The Directors consider that the granting/extension of the Issuance Mandate, the Repurchase Mandate and the re-election of the retiring Directors are all in the best interests of the Company and the Shareholders as a whole. 10. ADDITIONAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular: Appendix I — Explanatory Statement on the Repurchase Mandate; and Appendix II — Details of Directors Proposed to be Re-elected at the 2025 AGM.

Yours faithfully,
On behalf of the Board
Expert Systems Holdings Limited
Wong Chu Kee Daniel
Chairman and non-executive Director

The following is an explanatory statement required by the GEM Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the 2025 AGM in relation to the granting of the Repurchase Mandate.

1. REASON FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to have a general authority from the Shareholders to enable the Directors to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

The Directors are seeking the granting of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 803,280,000 Shares.

Subject to the passing of the ordinary resolution set out in item 6 of the notice of the 2025 AGM in respect of the granting of the Repurchase Mandate and on the basis that the issued ordinary share capital of the Company remains unchanged as at the date of the 2025 AGM, i.e. being 803,280,000 Shares, the Directors would be authorised to exercise the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, a maximum of 80,328,000 Shares, being 10% of the total number of the issued Shares (excluding treasury shares, if any)* as at the date of the 2025 AGM. The Repurchase Mandate would expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company; or (b) the expiration of the period which the next annual general meeting of the Company is required by the Articles or the applicable laws of the Cayman Islands to be held; or (c) revocation or variation by an ordinary resolution of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

3. FUNDING AND IMPACT OF REPURCHASES

Any repurchase will be funded from the Company's internal resources, which shall be funds legally available for such purpose in accordance with the memorandum of association and the Articles of the Company, the GEM Listing Rules, the applicable laws of the Cayman Islands and/or any other applicable laws, as the case may be.

* *There are no treasury shares as at the date hereof.*

Under the laws of the Cayman Islands, any repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of shares made for the purpose or, if authorised by the Articles and subject to the Companies Act, out of capital. Any premium payable on a redemption or purchase over the par value of the shares to be repurchased must be provided for out of profits or the share premium account of the Company or, if authorised by the Articles and subject to the Companies Act, out of capital.

As compared with the financial position of the Company as at 31 March 2025 (being the date to which the latest audited consolidated accounts of the Company have been made up), the Directors consider that there might be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchases were to be carried out in full during the proposed repurchase period.

The Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital or gearing position of the Company.

4. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code.

Accordingly, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, the Controlling Shareholders, namely, Mr. Chu Siu Sum Alex, Mr. Lau Wai Kwok, Mr. Mok Chu Leung Terry, Mr. Cheung Nap Kai and Mr. Wong Chu Kee Daniel, deemed as parties acting in concert, together control 561,750,000 Shares, or approximately 69.9% interest in the issued share capital of the Company. As a result, each of the Controlling Shareholders is deemed to be interested in such 561,750,000 Shares, representing approximately 69.9% of the issued share capital of the Company, as at the Latest Practicable Date.

In the event that the Repurchase Mandate were exercised in full, the interest of the Controlling Shareholders would be increased from approximately 69.9% to approximately 77.7%. Since the Controlling Shareholders are already holding approximately 69.9% of the Shares, no increase in their shareholding resulting from such repurchases of the Shares would oblige the Controlling Shareholders to make a mandatory offer under Rule 26 of the Takeovers Code. Moreover, the Directors do not intend to exercise the power to repurchase the Shares to an extent which would render any Shareholder or a group of Shareholders obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that results in a shareholding of less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the Shares in issue (excluding treasury shares, if any) in public hands.

5. GEM LISTING RULES RELATING TO REPURCHASE OF SHARES

The GEM Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange and any other stock exchange on which the securities of the Company are listed and such exchange is recognized by the Securities and Futures Commission of Hong Kong and the Stock Exchange subject to certain restrictions.

The GEM Listing Rules provide that all proposed repurchases of shares must be approved by shareholders in advance by an ordinary resolution at a general meeting, either by way of a general repurchase mandate or by a specific approval of a particular transaction, and that the shares to be repurchased must be fully paid up.

6. CONFIRMATION OF THE DIRECTORS

The Directors confirm that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the applicable laws of the Cayman Islands and the Memorandum and Articles for the benefit of the Company and the Shareholders as a whole.

Neither this explanatory statement nor the proposed share repurchase has any unusual features.

7. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors or, to the best knowledge and belief of the Directors having made all reasonable enquiries, any of their respective close associates (as defined in the GEM Listing Rules) have any present intention, in the event that the proposed Repurchase Mandate is granted, to sell the Shares to the Company. No core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that they have a present intention to sell the Shares to the Company, or that they have undertaken not to sell any of the Shares held by them to the Company, in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

8. SHARE REPURCHASE MADE BY THE COMPANY

With effect from 11 June 2024, the GEM Listing Rules have been amended to the effect that, among others, the requirements to cancel repurchased shares has been removed such that listed issuers may hold the repurchased shares in treasury subject to the laws of their places of incorporation and their constitutional documents, and a framework in the GEM Listing Rules to govern the resale of treasury shares has been adopted. The Directors consider that such amendments provide greater flexibility to the Company in repurchasing and reselling Shares,

thereby allowing the Company an additional channel to manage its capital structure. The Company may cancel Shares repurchased or hold them as treasury shares, subject to market conditions and the Group's capital management needs at the relevant time of the repurchases.

For any treasury shares deposited with CCASS pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for the treasury shares deposited with CCASS; (ii) in the case of dividends or distributions, withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the record date for the dividends or distributions; and (iii) take any other measures to ensure that it will not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as treasury shares.

The Company had not purchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

9. SHARE PRICES

The highest and lowest prices of the Shares during the previous 12 months up to and including the Latest Practicable Date were as follows:
